IN THE NC GENERAL ASSEMBLY

A MESSAGE FROM REPRESENTATIVE GAILLIARD

Dear Friends,

Thank you for electing me to serve you in the North Carolina General Assembly. I am proud to represent North Carolina House District 25. As your Representative, my time is spent largely in three ways. I call it my ABC's:

A **Authoring**, sponsoring, debating and amending legislation that provides the greatest opportunity for everyone in our community and state to live thriving lives and become contributing citizens.

B **Building** relationships with leaders at the state and national level to ensure collaboration and integration of public and private resources to direct the best programs and opportunities to Nash County and Rocky Mount

C **Constituent** services by ensuring your questions are answered, needs responded to and concerns are addressed in an efficient and sensitive manner by both me personally and our staff

My office is always available to assist you with navigating state agencies and solving your problems.

I enjoy meeting people and I want to meet you, your church group, civic group or network of professionals in our community, so please invite me to come speak and answer your questions personally. No group is too small.
